Select the right reference for your program

Use filter references and connection photos to choose samples. Appliance brand names identify compatibility references, not the product manufacturer.

EPT	Application matching
GE FQK2J	Under-sink
GE MWF	GE
ULTRAWF	Frigidaire
WF3CB	Frigidaire
DA97-17376B	Samsung
DA29-20B	Samsung
Filter 1	Whirlpool / EveryDrop
EveryDrop 1	Whirlpool / EveryDrop
EveryDrop 2	Whirlpool / EveryDrop
EveryDrop 4	Whirlpool / EveryDrop

LG model matching by inquiry

No LG SKU is currently published. Send the cartridge reference, connection photos and purchasing requirements for review.

Commercial terms

Standard product MOQ: 180 pcs. Private label / custom order MOQ: 1,000 pcs. Custom samples dispatched in 14 days after artwork approval. Confirm the conditions for the selected models and packaging; dispatch is not delivery.

EPT Water Filter Reference

Existing product reference image

OEM & wholesale supply

FridgeFilt supplies water filter references for wholesale and private label inquiries, including EPT water filters, with the application matched to the supplied cartridge reference. Send the model, quantity, destination and packaging requirements to review fit and quotation. Private label programs start from 1,000 pcs, subject to project confirmation.

EPT is the current filter reference. Send the existing cartridge reference and connection photos so the application and brand can be matched before sample and bulk order evaluation.

Technical Specifications

Product Type	Water filter reference; application to be reviewed
Model	EPT
Brand Reference	To be confirmed
Filter Material	Confirm for the selected SKU
Housing Material	Confirm for the selected SKU
Service Life	Confirm for the selected SKU
Capacity	Confirm for the selected SKU
Certification	Confirm for the selected SKU

Confirm fit, materials, ratings and supporting documents for the selected SKU before ordering.

Check certificate holder, validity and scope. A component certification does not certify the complete cartridge.
